

BACKGROUND/CREDIT CHECK AUTHORIZATION

This is to inform you that as part of our procedure for processing your employment application a background check, including a copy of a consumer report prepared by a consumer reporting agency, will be obtained as part of a routine check.

Information from the report will not be used in violation of any federal or state equal opportunity law or regulation.

Before taking any adverse employment action based on the credit report, including denying employment, Kentucky Farmers Bank will provide you, without charge, a copy of the credit report plus a written summary of consumer rights under the Fair Credit Reporting Act.

Signing this form constitutes written authorization to seek a background check and consumer credit report.

I acknowledge that I have received a copy of the above notice, and that I authorize this information to be released to Kentucky Farmers Bank.
